

Acme Technologies - Employee Handbook (2026)

Section 1: Company Overview & Mission

Acme Technologies is a software engineering company providing cloud and AI solutions. Our core values are integrity, collaboration, customer focus, and continuous learning.

Section 2: Working Hours & Attendance

Standard full-time working hours are 9:00 AM to 5:00 PM, Monday through Friday (40 hours per week). A one-hour lunch break is provided daily between 12:00 PM and 2:00 PM. Employees are expected to core-align availability between 10:00 AM and 4:00 PM.

Section 3: Probation Period & Performance Review

All new full-time employees undergo a mandatory 3-month probation period. At the end of 90 days, the department manager conducts a formal review to confirm regular employment. Annual performance evaluations occur every December.
